3. Each employee shall adhere to relevant working conditions, the employee’s assignment, including any rules or regulations regarding discipline, established by a collective bargaining agreement, the Board, the Superintendent or designee, or the employee’s immediate supervisor.

4. Each employee shall adhere to all applicable law, including the law covering the operations of the District, the educational program of the District, the rights of students, the rights of employees, and the rights of parents and the public.

5. The District is an equal employment opportunity employer that complies with all applicable federal and state non-discrimination laws. The District does not tolerate the violation of such laws by any employee. The District also does not tolerate illegal sexual harassment or any other illegal harassment by an employee.

6. The District is committed to all applicable laws concerning equal educational opportunity for all the students in the District. The District does not tolerate the violation of such laws by any employee.

7. Each employee is prohibited form the unlawful manufacture, distribution, dispensation, possession, or use of alcohol or a controlled substance in any workplace or facility of the District. Each employee must notify the Superintendent in writing within five (5) days of any drug statute conviction for a violation occurring in any workplace or facility of this District. A conviction includes any finding or guilt, including a no contest plea, or imposition of a sentence.
8. No employee shall be under the influence of alcohol or a controlled substance while the employee is acting within the scope of employment. The use of drugs under and consistent with the directions of a physician which does not unreasonably impair the performance of an employee is not prohibited. An employee may use prescribed drugs while acting within the scope of employment as long as such use is under and consistent with the directions of a physician and such use does not unreasonably impair the performance of the employee.

9. Each employee shall report any unsafe condition or illegal activity to the employee’s immediate supervisor, the Superintendent or the Assistant Superintendent as soon as possible after discovering the unsafe condition or illegal activity. The District does not tolerate the observance of illegal activity without reporting it as soon as possible to a representative of the District.

10. The District requires each employee to adhere to the Child Abuse and Neglect Reporting Act (Penal Code sections 11164-11174.3). Each employee who has knowledge of or observes a child in the employee’s professional capacity or within the scope of employment when the employee knows or reasonably suspects has been the victim of child abuse shall report the known or suspected instance of child abuse to a child protective agency immediately or as soon as practically possible by telephone. Each employee then shall prepare and send a written report to the child protective agency within 36 hours of receiving the information concerning the incident.

11. No employee shall release confidential information involving another employee or a student to a parent or any other member of the public unless expressly authorized by applicable law, the Superintendent or designee, or the Board. Each employee is required to adhere to all applicable laws protecting the privacy rights of employees and students.
