Purpose Statement
The purpose of a Fiscal Services Technician is to provide support to department activities with specific responsibility for the accurate processing of payment for approved invoices and contract payments; recording, updating, and reconciling financial information in accordance with established practices; provide accounting support to district and site staff.

This job reports to the Executive Director of Fiscal Services.

Essential Functions

- Assists auditors for the purpose of providing supporting documentation and/or information.
- Attends and participates in meetings, workshops, and seminars for the purpose of conveying and/or gathering information required to perform functions.
- Collaborates with internal and external personnel for the purpose of conveying and/or gathering information required to perform job functions, implementing and maintaining services, providing technical assistance and support, and providing information and/or direction regarding accounting procedures and practices.
- Collects, verifies, and prepares cash deposits for the purpose of making bank deposits.
- Communicates with administrators, staff, and vendors for the purpose of implementing and maintaining services and programs, coordinating activities, resolving issues and conflicts, and exchanging information.
- Compiles a variety of financial information related to assigned responsibilities for the purpose of providing required documentation and/or processing information.
- Informs supervisor and staff regarding procedures and/or status of accounts for the purpose of providing information for making decisions, taking appropriate action, and ensuring efficient operations.
- Maintains a variety of manual and electronic documents, files, records, and reports (e.g., procedures, documentation, budgets, accounts, contracts, etc.) for the purpose of documenting activities, providing written reference, and/or conveying information.
- Monitors account balances and related financial activity for the purpose of ensuring that allocations are accurate, related revenues are generated, expenses are within budget limits, and/or fiscal practices are followed.
- Performs general clerical functions (e.g., answers telephones, schedules meetings and appointments, files, copies, faxes, scans, etc.) for the purpose of supporting departmental activities in a timely and efficient manner.
- Prepares a variety of written and electronic financial information (e.g., balance sheets, voucher reports, procedures, transmittals, tax documents, revolving fund checks, invoices, etc.) for the purpose of documenting activities, providing reference, conveying information, and complying with established guidelines.
- Processes a variety of financial information (e.g., invoices, billings, receivables, legal settlements, contracts, memoranda of understanding, payroll, etc.) for the purpose of updating and distributing information, authorizing items for action, and/or complying with established accounting practices.
- Reconciles a variety of financial information (e.g., bank statements, cash receipts, and account balances, etc.) for the purpose of updating and distributing information and complying with established accounting practices.
● Researches discrepancies of financial information and/or documentation (e.g., purchase orders, invoices, payroll, etc.) for the purpose of ensuring account accuracy and adhering to established procedures.

Other Functions

● Performs other related duties as assigned for the purpose of ensuring the efficient and effective functioning of the work unit.

Job Requirements: Minimum Qualifications

Skills, Knowledge, and Abilities

SKILLS are required to perform multiple, technical tasks with a need to periodically upgrade skills in order to meet changing job conditions. Specific skill-based competencies required to satisfactorily perform the functions of the job include:

● applying job-related codes, regulations, and laws;
● interpersonal skills using tact, patience, and courtesy;
● operating standard office equipment including utilizing pertinent software applications and office technology;
● preparing and maintaining accurate records;
● using Microsoft Office software applications and Google based platforms.

KNOWLEDGE is required to perform basic math, including calculations using fractions, percents, and/or ratios; read and follow instructions; write documents following prescribed formats; present information to others; analyze situations to define issues and draw conclusions; and understand complex multi-step written and oral instructions.
