Middle School: Grades 6-8 Learning Resources for Home

March 18, 2020

To the parents of VUSD middle school students,

During the current VUSD school closure, it is important that all students continue to learn, grow, and apply their knowledge. To help achieve this goal, VUSD teachers and administrators have prepared this menu of resources for students to use at home. Students should select from this menu of suggested resources to continue their learning through March 27th. We have created a set of recommended resources in core subject areas, as well as supplemental resources to extend student learning further. These resources are not mandatory; students can select resources from each subject that match their abilities.

If a long term solution is needed, VUSD is preparing to launch Vista Virtual School online instruction websites on Monday, April 6th. The Vista Virtual School websites will include further learning activities and instruction for all students. More information will be provided as it becomes available. Thank you for your support and resilience through this unpredictable time.

If you have any questions between now and March 27th, please contact the following teachers:

Language Arts	Erin Bland	erinbland@vistausd.org
Science	Chris McGregor	christophermcgregor@vistausd.org
Math	Christine Barrett	christinebarrett@vistausd.org
History	Laura Whitehouse	laurawhitehouse@vistausd.org
Art	Shannon Brayshaw	shannonbrayshaw@vistausd.org
