

# Expectations for Elementary

## TEACHERS

- ◆ Provide students with daily, in-person instruction using the district adopted core curriculum aligned to grade level standards.
- ◆ Establish high expectations and learning goals for students and provide tasks and assignments aligned to those goals.
- ◆ Provide continuous timely feedback to students using a variety of assessments.
- ◆ Follow COVID-19 Prevention Plan.
- ◆ Virtually attend weekly PLC meetings and participate in professional development as needed.

## STUDENTS

- ◆ Actively engage in daily lessons with their teachers and peers, complete assignments, and take assessments to demonstrate their learning.
- ◆ Attend school each day and participate in all related lessons and activities.
- ◆ Meet with their teachers individually to receive feedback and support with their learning.
- ◆ Follow the Vista Unified acceptable use policy for technology.
- ◆ Follow all health and safety protocols while on campus.

## COUNSELORS

- ◆ Proactively support the academic, social-emotional, and college/career planning needs of all students
- ◆ Prioritize care and connection, and provide appropriate interventions, support, referrals, and resources to students in need
- ◆ Collaborate with teachers, parents, and administration to support students with social-emotional needs.

## ADMINISTRATION

- ◆ Provide safe and healthy school environment with a daily learning schedule that allows students to pick up meals, if needed
- ◆ Promote high expectations for teaching and learning in Classic classrooms
- ◆ Prioritize care and connection for all stakeholders
- ◆ Regularly communicate with the school community

## SPECIAL EDUCATION

- ◆ Monitor student progress on IEP goals, and collaborate with general education teachers
- ◆ Provide FAPE and related services
- ◆ Provide high quality, real time support to students, and engage parents as partners

## ENGLISH LANGUAGE DEVELOPMENT

- ◆ Prioritize daily integrated and designated instruction for each student
- ◆ Monitor student learning in listening, reading, speaking, and writing, and provide targeted support and intervention as needed

## PARENTS

- ◆ Complete daily health check requirement prior to entering school campus
- ◆ Support student(s) in their daily organization, learning, and completion of assignments at home
- ◆ Respond to communication from the school, including the use of the learning management system called Canvas. (Ensure that contact information is provided on Parent Portal.)
- ◆ Participate in the Vista Institute for Parents for training and support and assist student(s) as necessary
